Hello All,

These are Amber's comments for the latest iteration of the treated seed petition. I will begin working on them in preparation for our meeting on Monday.

Best,

Quinn – I took a quick look and have some comments that we might discuss tomorrow if you have time. I'm scheduled to be out on Friday, and in training T-TH next week, so hoping a quick chat with you would resolve some of these issues fairly quickly. Let me know what works for you. 2:00ish looks good for me.

Hello Amber,

The "clean" document I sent you previously retained your comments but I have attached one to this email that is completely clear of comments and revisions. If you have any other questions please let me know.

Thank you,
Quinn
